IMPLEMENTS FOR BLIND SOCCER EQUIPMENT

The Huila Blind Soccer Team, is an inclusive sports program designed to promote physical activity, teamwork and the development of motor skills in children, young people and adults with visual disabilities through adapted Soccer.

Your **CONTRIBUTION** will complement the sports and psychomotor skills learning spaces, offering a high quality recreational activity that promotes independence, develops physical and social skills, and creates a sense of belonging through sport. You can be part of the change.

This project is a promise of a better future

These dreams are not only ours, they are of every blind person who expects to have the tools to learn, of each family looking for a place to feel accompanied and of every child, young individual or adult who dreams of being independent.

Your contribution makes these dreams come true.

DONATE NOW...

Your **HELP** drives our mission to transform lives with sport, inclusion, and tools that make a difference.
